States that records in two murder appeals sent to the Govt Press on 11.1.18 have been returned to the Chief Court for getting the work done elsewhere as there is very heavy work in the Press, and solicits sanction to get the records in question printed in a private press, and to follow this procedure on similar future occasions.

The Chief Court seem to be in favour of the course proposed in regard to the printing of records of criminal cases. If the suggestion has to be sanctioned, in supersession of the rule contained in the G.O of 11.6.15, provision in the Chief Court budget will have to be made annually as pointed out in the 2nd para of the Registrar's letter.

To

Chief Secretary to the Government of

S i r ,

The records in two murder appeals Nos: 60 and 63 of 1917-18 on the file of this Court were sent to the Superintendent, Government Press, for being printed so far back as the 11th January 1918. In his No. 1649 of this date, the Superintendent has informed that owing to very heavy work in the Press, it is not possible to undertake the printing of the two records and has returned them with a request that they may be got printed elsewhere. But this cannot be done in the face of the Government Order No: G. 13906-56/G.P.24-12-11 dated 11th June 1915 under which all murder appeal records have to be printed by the Superintend-ent, Government Press.

Under these circumstances I am directed to re-quest that the Government may be pleased to accord early sanction to get the records in question printed in a private press the cost thereof being paid out of the amount sanc-tioned in the current year's budget for the Piece Work Esta-blishment of the Government Press as this Court is unable to point out any source in the judicial budget to meet the un-expected expenditure in question.

As

As it is not desirable to keep condemned prisoners in suspense for an unduly long period I am to request that the Government may be pleased to accord general sanction to get the records in murder appeals printed in a private press whenever the Government Press is unable to print them owing to heavy work, a lumpsum provision being made therefor either the Budget of the Government Press or in the Budget of this Court for the next official year. Till then the cost which may be incurred on that account may kindly be ordered to be met from the source now pointed out.

I have the honor to be,

Your most obedient servant,

Dear Sir,

In returning herewith letter No. 747, dated the 14th instant, from the Registrar of the Chief Court of Mysore, addressed to the Chief Secretary, I beg to state that the proposal of the Registrar to have the cost of getting the records in the murder appeals printed in the private presses paid out of the piecework allotment of the Press Budget seems to me to be unusual; and that I fear it may lead to an inconvenient and embarrassing precedent. But if Government would be pleased to allot separate funds for this purpose in the Budget of the Chief
